

# Consultations on Nunavut's Child Day Care Act

We're transforming early learning and child care in Nunavut and want to hear from you!

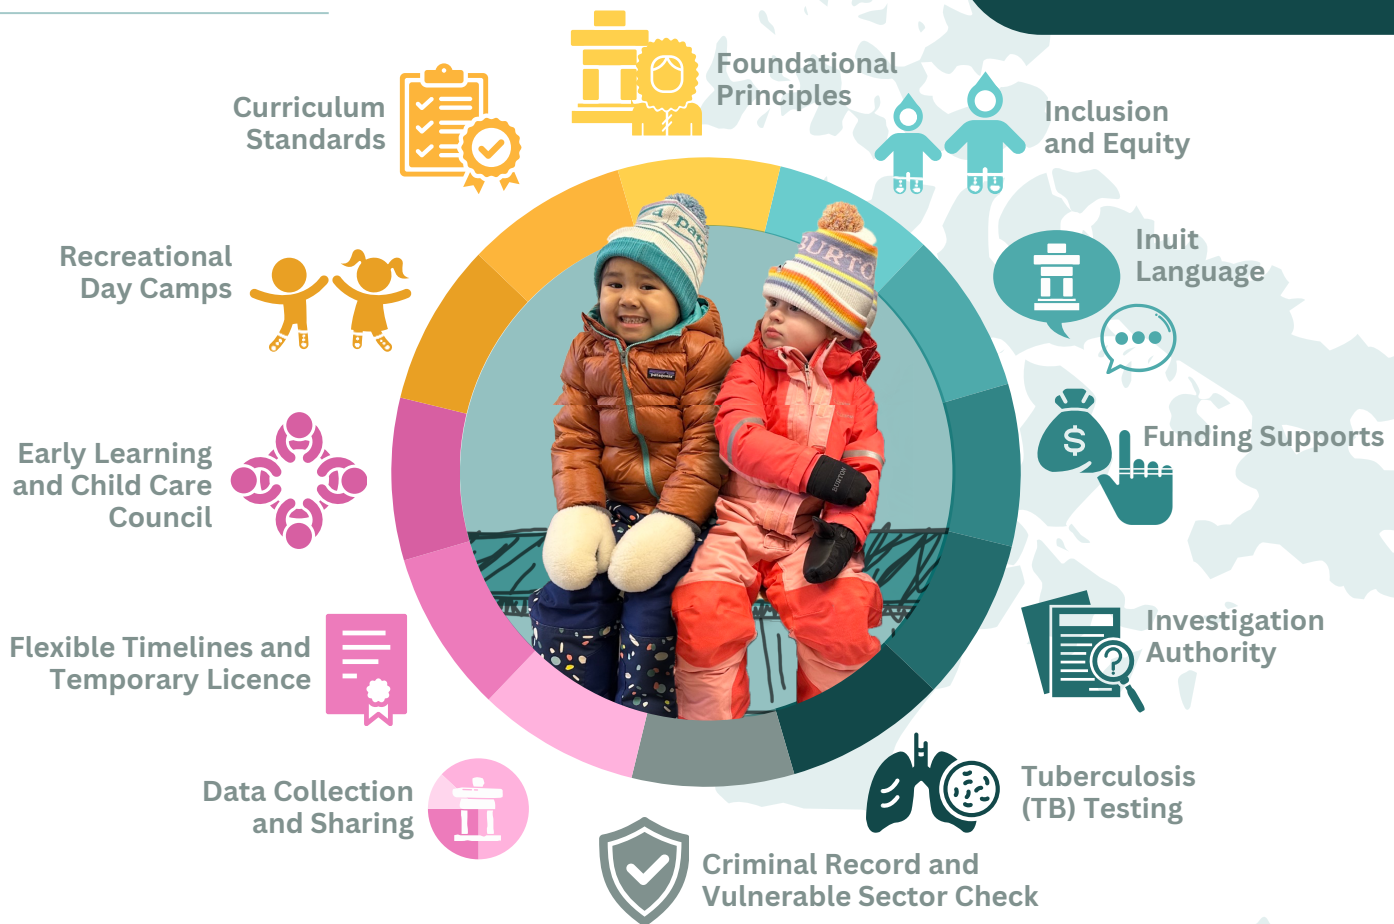

## What is early learning and child care?

Early learning and child care includes programs that offer education and care to young children, fostering their development in a safe and nurturing setting and out-of-school programs for children up to age 12. For example, licensed child care centres or family home daycares, to name a couple.

Public consultations begin in **March 2024**
