

Exemption for Fully Vaccinated Travellers Traveller's Declaration

If you are fully vaccinated, you may choose to be exempted from the isolation requirement under the current Nunavut Travel Restriction Order. You are considered fully vaccinated two weeks after the final dose of COVID-19 vaccine.

All vaccinated travellers intending to travel to Nunavut must complete this declaration and submit it to vaccineexemptions@gov.nu.ca in order to receive a letter of authorization permitting travel and present it to the air carrier upon check-in for verification.

Travellers must sign a legally-binding declaration of vaccination stating they are fully vaccinated with a Health Canada approved vaccine. Declarations will be audited on a regular basis to verify compliance and false declarations may result in fines.

All travellers entering Canada must follow requirements under the current federal quarantine program before applying to come to Nunavut.
