This employment opportunity is open to all applicants.

Positions are available in Rankin Inlet (1) and Cambridge Bay (2), Nunavut. Please specify in your cover letter your location preference.

The Government of Nunavut was selected as one of Canada's Best Diversity Employers, Top Employers for Young People and recent graduates in 2024. With one of the fastest growing and youngest populations in Canada, Nunavut is a dynamic, vibrant territory, committed to becoming an even better place for future generations. As a government, we are strengthening our unique model of governance - one that integrates Inuit societal values, promotes use of the Inuktitut language, achieves a representative public service, and collaborates with partners to achieve the promise of Nunavut. Successful applicants will enjoy a competitive salary, medical and dental benefits, a defined benefit pension plan, relocation privileges and opportunities for training and career advancement.

Reporting to the Chief Building Official (CBO), as the successful candidate you serve as one of the team of territorial regulatory officials responsible for design and delivery of compliance programming to the National Building Code of Canada (NBC), National Plumbing Code of Canada (NPC) and other adopted codes or standards pursuant to the Nunavut Building Code Act (BCA). This position will work independently and as a team member under the supervision of the CBO. Buildings include those used for assembly, institutional, residential, commercial, mercantile and industrial occupancy, and range from simple to complex in size and design.

As a regulatory official this position is responsible for administering the principle objective of the BCA, ensuring all new buildings are safe and compliant with the NBC, NPC, as well as other codes or standards adopted by the territory. As the Building Official you provide advice and recommendation on policy and program development, stakeholder engagement and issues resolutions. As the successful candidate, you will contribute toward the development of public information, information dissemination and respond to information requests.

As the successful candidate you must have a good understanding of general construction practices, preferably including experience in the North, and the ability to demonstrate expertise in the interpretation and application of Canada's model construction codes with emphasis on the NBC and NPC. Additionally, you will have excellent written and verbal skills for preparing and presenting written reports, briefing notes and other correspondence as well as have the ability to read and accurately interpret plans and specifications of any complexity.

The ideal candidate is a certified, licensed or qualified Building Official as recognized in one or more Canadian province(s) or territories and has a minimum of four (4) years' experience in an inspection or a regulatory capacity. Assets include having a degree in architecture or engineering; a certificate or diploma in architectural technology or engineering technician or technologist; a journey person designation with a red seal in a construction related trade or a certificate of qualification in the construction related trade issued under the "Apprenticeship, Trade and Occupations Certifications Act".

If you are interested in applying for this job, please email your cover letter and resume to lqaluitApplications@gov.nu.ca. Please include the REFERENCE # in the subject line of your email.

- The Government of Nunavut is committed to creating a representative workforce; therefore, priority will be given to Nunavut Inuit who self-identify as being enrolled under the Nunavut Agreement in accordance with the Priority Hiring Policy.
- Government of Nunavut employees serving a probationary period must obtain and provide written authorization from the deputy head of their employing department. The authorization from the deputy head must accompany your application for your application to be considered.
- Possession of a criminal record may not disqualify candidates from being considered. An assessment of the criminal record will be measured against the scope and duties of the position. This is only a requirement for positions that require a satisfactory criminal record or vulnerable sector check.
- Applicants may submit their resume in any of the Official Languages of Nunavut.
- Only those candidates selected for an interview will be contacted.
- The onus is on candidates in receipt of foreign post-secondary education credentials to have their foreign credentials assessed through a recognized Canadian education institution. Failure to do so may result in the rejection of their application.
