At this time, the Minister has already created draft calendars and will be consulting with the Coalition of Nunavut District Education Authorities (CNDEA) to finalize them.

Following this step, the Department will be sending the proposed calendar options to each DEA and the CSFN for consultation with their communities. At this time, parents and community members will be given the opportunity to provide feedback on which calendar option is best for their community.

You are encouraged to participate in this consultation process, as your input will ensure that the calendar chosen for your community meets the needs of students, educators, and parents.

Finally, I ask for your patience during this time as we transition into this new school calendar process due to the revised *Education Act*. Rest assured that this year of transition will lead to a smoother process for the years to come.

Sincerely,

Hon. David Joanasie
